Greetings!

It appears summer has officially arrived, at least the thermometer tells us so. Many of us are knee deep in summer sports with our kiddos, working outdoors on projects and maybe even enjoying a vacation. You deserve the break and to enjoy the opportunity to be outside. Our “busy” season is over for now, but do not worry, new things will sneak up on us in no time at all -- beware!

July brings our annual event at the Bees game, “Christmas in July”. Please mark your calendars for Friday, July 28th. This event should not be confused with Kiwanis Night at the ballpark or the family picnic. “Christmas in July” is intended for children who may not otherwise attend a Bees game. We will need a few volunteers as Santa traditionally makes an appearance and we offer activities for the kiddos during the game as well. Lois Blythe heads up this committee and I’m certain she will offer announcements and ask for assistance.

Speaking of the annual family picnic, we have moved it to back to the fall and it will be held at Perkins Park. Stay tuned for additional details.

I would like to offer a shout out to the FUN committee for another fun event in June with the carnival. They took us back to our childhood and encouraged us to have a little fun in a different light. Mostly, it allows club members and guests to mingle. During the event, one member said “it is really nice to just be able to talk with one another”. When committee member, Shauna Freitag shared that feedback, I knew our goal had been met! One more fun day coming in August.

With that, enjoy your summer, keep up the great work, your desire to serve others and we will see you soon.

Love It. Share It. Live It.  
Cheers, Melissa
