You did it again!! The pancake breakfast was a “Grand Slam” of an event and I couldn’t be more proud!! Never before have I arrived for the breakfast for the 5:30 am shift and now I may never go back to any other shift. Sure, the 4:30 am alarm was certainly less than desirable, but watching the event from the very start was amazing and quite frankly a lot of fun! We will have to wait a little while for the final numbers, but no matter what the “numbers” say, I think we can say we were once again successful with the pancake breakfast! I’d like to offer a giant kudos to George Rinker and EVERYONE on the pancake committee as well as the club members who rolled up their sleeves to help in some way or another – selling tickets, volunteering, you name it. This is one well-oiled machine. In an effort to not leave anyone out, I would like to say an extra “Thanks” to those that jumped on the grills when it got busy and there were open grills – you didn’t have to do that, but I want you to know it did not go unnoticed! Way to go Burlington Kiwanis!!!

As I scrolled through Facebook over the weekend, I found myself smiling often as I viewed photos from others who attended the pancake breakfast. Many of those photos and social media albums were captioned with something along the lines of, “We love the tradition of kicking off the summer with the Kiwanis Pancake Breakfast, bike racing and family time”. Who doesn’t enjoy a good family tradition? And who doesn’t enjoy kicking off summer?

Entering the month of June, the calendar softens quite a bit in intensity and we get to enjoy the company of each other on Thursdays and reflect on our fund-raising and service. Because we are taking some extra time to have some FUN this year, please be sure you’re ready for FUN at our regular meeting on Thursday, June 8th – the same day we will celebrate June birthdays. Your fun committee has some interesting things planned. You are encouraged outside the box, move around the room, play along and socialize during the lunch hour. Hope to see you there.

Last but not least, our club couldn’t do all of the wonderful things we do to serve the children of the world without members. Remember, a new member for our club means new ideas, new enthusiasm, greater fellowship, greater service – and more fun. Please continue to invite folks to check us out and considering joining this wonderful organization.

Love It. Share It. Live It.
Cheers, Melissa

Burlington Kiwanis Club Membership History

While we are down in numbers since the early 2000's, it should be noted that declining membership is a national trend. We are gaining, which is fantastic!

Board of Directors Meeting

At the May board meeting the Board of Directors voted on and approved the following funding requests:

\$1000 for camperships at the YMCA summer camp, which will provide summer camp for 8 youth.

\$750 to Burlington Steamboat Days to purchase bike helmets for their Kids' Day. They anticipate that approximately 800 families will participate in Kids' Day activities and that approximately 250 children will not be able to afford proper fitting helmets.

Respectfully,
Michelle Randall,
Secretary
