Hi I'm George,

Thank you to all who helped make July a great Kiwanis month. We had great success at the Pancake/Sausage Breakfast at West Burlington Fire Station on July 4th.

I hope everyone who wanted leftover sausage was able to get their fill of our great sausage.

We have some sausage packages left over but will use them for our next event which will be on August 21st at 5PM. The Pancake Committee consented to provide a pancake/sausage supper at the City Hope back to school celebration at the Maple Leaf Center.

They will be having a block style party for 250 kids and families with fire engines, Police K-9, bounce house/splash house and much more. They will be providing school back packs and school items for each child.

We will utilize our leftover sausage, pancake mix, syrup and butter. So, we will not have any additional expense to participate in this community event. I will need four or five volunteers at 3:30 pm to set up grills, prepare food and load up grills. They will have their own volunteers to serve kids and families.

Shamrock Shuffle will also be held on the morning of August 21st. There are sign-up sheets for Shamrock Shuffle volunteers needed on the registration table at our weekly meetings.

I want to thank all who helped and attended our Kiwanis Family Picnic last Saturday. We served a great meal to approximately 60 folks. Kids and adults played games and then attended a Burlington Bees game with fireworks. I hope everyone had fun.

We are providing kids bike helmets at the National Night Out event on August 3rd hosted by our community law enforcement agencies. This should be a great safety awareness event in our community.

Let's make August another great Kiwanis month this year. "We are Back"

Thank you to all of our Kiwanians. We are helping to make our life better for one child and one community at a time.

George

## Be a Part of the Tech Team

Starting Zoom or posting to Facebook a time or two is all it will take to be a part of the Tech Team!

Vice President Elect, Stephanie Nagrocki, is looking for a few extra hands when it comes to social media during her year as President.

While Stephanie will be busy with club meeting, the club will need someone to start the Zoom video or post a few things to Facebook.

If you would like to help out, let Stephanie know. She is even willing to train you!

## Board of Directors Update

Your Directors and Officers have approved the following funding requests at the July board meetings.

Aid to the Needy: For June was \$125.20

The Burlington Police Department was awarded \$500 for National Night Out. These funds were used to purchase children's bike helmets and distributed in conjunction with the Police Departments bike safety training, during this event. They will serve children ages youth through adolescence.

Respectfully Submitted,  
Karen Erickson
