## CLUB OF BURLINGTON

Hello Fellow Kiwanians,

I can't believe it is already that time for me to be writing my first newsletter as the new Burlington Kiwanis President. I feel very honored to be serving as the 2021- 2022 Club President and I thank each of you for placing the trust in me to lead the club over the next year.

I want to thank George for the great year he had as President and being able to improvise, adapt, and overcome whatever challenges we faced as a club. Thank you to the board members that will be continuing another year on the board and please join me in welcoming our new board members for the year: Andrea Gerst, Courtney Gustafson, Craig Neises and Bob Prall. I also want to thank Tony Hazell for stepping up as the club's President Elect and Mary Weinand as our next Vice President. I look forward to working with the officers and directors of our wonderful club to have a great year.

We all may have our different reasons on why we love our club so much so please make sure to share the great things about our club with others and help our club grow over the next year. I hope to be able to continue our traditional fundraisers and service projects with minimal interruptions this year and maybe even try some new things this year to make our club even better!

The last few years have been challenging in many ways to all of us and our club but we will continue to work together to push forward and do great things with our club. I look forward to a great year with all of you and I know we will continue doing what we do best, improving the world one child and one community at a time!

Yours in Kiwanis Service, Stephanie Nagrocki

### 2020-2021 Donations Made

Annually, donations are made to a variety of area programs, events and organizations to meet the needs of area children and residents.

The Board of Directors reviews the requests and makes a recommendation to the Activities Board, our non profit Foundation, on the amount to fund. The dollars raised from events like the Shamrock Shuffle and Pancake Breakfast are used to fund these requests.
