Kiwanis[®]
CLUB OF BURLINGTON

Hello fellow Kiwanians,

Happy 4th of July and I hope everyone is surviving the heat of summer! I want to start by giving a big shout out to our Kiwanis Night Out Committee for putting together a fun evening for our club members and guests a few weeks ago. We had a good time socializing, great BBQ food and music from the Lee-Henry Road band for our evening entertainment. Thanks to those that worked so hard to put the fun evening together.

Congratulations to our club members that have been nominated and accepted the position as an officer or director for our upcoming Kiwanis year. It will be a big year for our club as we **celebrate our club's 100th Anniversary.**

The summer months might not seem so busy for our club, but there are still things happening! In July we will have another new member orientation and our membership committee will be meeting soon to discuss more ideas on how to grow our club. The Kiwanis Family Picnic committee will also come together soon to plan a fall themed picnic before my presidential term is over. If you would like to be a part of any of these meetings, please let me know.

Yours in Kiwanis Service, Stephanie Nagrocki
