# Kiwanis<sup>®</sup>

## CLUB OF BURLINGTON

Hello fellow Kiwanians,

Another successful Kiwanis Pancake Breakfast is in the books! Thank you to all of our Kiwanis members and their family members who were there this last Saturday (and Friday for set up) to volunteer their time to help make our largest fundraiser a success once again. Thank you to everyone who sold financial sponsorships this year and of course we love the generosity of our in-kind sponsors as well. Thank you to our **members who contributed to the “adopt a pig” efforts to cover some costs towards the sausage** and everyone that pre-sold their tickets. Even with all the construction mess this year I think we still had a great crowd and we are very thankful for the city offering the free shuttle service downtown this year to help get our guests to the event. Something else that was different this year was that we offered the convenience of **accepting debit/credit cards at this year’s breakfast with \$312 in ticket sales with the square card reader**. Our total ticket numbers are in to show we served over 2,000 guests again this year at the breakfast! What a fantastic event that I am so proud to be a part of.

The pancake breakfast may be over but we still have other events going on with our club. Be sure to mark your calendars for Friday, June 17<sup>th</sup> to attend the Kiwanis Night Out where we will have a county western theme and music entertainment at the Memorial Auditorium. Since we are having our KNO in June this year plan on the Kiwanis Family Picnic to happen with a Fall theme this year. More details to come soon about the family picnic.

Lastly, we will be drawing our winner this week for those that have brought a prospective member to join us over the last few months, but our membership drive is not ending with that. I am looking for a few volunteers to be a part of a membership committee to help brainstorm a “Kiwaniis Most Wanted” list to help seek out community members we think would be really great to have in our club. Please reach out to Tony or myself if you are interested in this ongoing effort.

Now let’s go and enjoy the summer! Yours in Kiwanis Service, Stephanie Nagrocki

## **Did You Know...**

The Kiwanis Pancake Breakfast was created in 1989 when President Steve Staebell appointed Jerry Courtney to chair a major effort to raise funds for projects and bring Kiwanians together outside the routine of meetings to work on a common project.
