Kiwanis[®]

CLUB OF BURLINGTON

Hello fellow Kiwanians,

In only a few short weeks we will be getting our green on for our last Kiwanis Shamrock Shuffle and then Spring officially arrives on March 20th, yippie! I hope everyone has told their friends and family to get registered early so Brent Hartley has to show up with half his beard the morning of the Shuffle! As a Kiwanis member there are several opportunities to help with the event besides participating in the 5k. See the link in the newsletter for the sign-up sheets or contact Michelle Brown if you are available to volunteer.

It was very nice to see a large crowd for our Pastor's Appreciation Day last week. Thank you again to Craig Smith and Lois Blythe for making sure we were able to host this event again this year. Also, thanks to a few newer members that were able to attend our new member luncheon last week. I hope to host another one in a few months for those newer members that were unable to attend and maybe by then we will have a few other newer members to invite. Don't forget you are always welcome to bring a guest to a meeting so they can see how great our club really is.

In the next month I think our SAA squad has a few fun things up their sleeve, especially since our regular Thursday meeting will fall on St. Patrick's Day this year. I don't know everything but... I'm guessing you may pay a fine if you don't have your green on that day so start digging in your closet now.

Lastly, if you are part of the Kiwanis Night Out committee or you would like to be a part of this committee, please join us for our first meeting to brainstorm ideas on March 7th at the Burlington Public Library meeting room at 5pm. We hope to have some great ideas to where we will be planning another fun Kiwanis Night Out for our members very soon.

Join me in crossing our fingers and saying a few extra prayers for warm temps and lots of sunshine on March 12th. I hope to see you at the Shamrock Shuffle!

Yours in Kiwanis Service,
Stephanie Nagrocki

Did You Know...

The name "Kiwanis" was coined from an American Indian expression, "Nunc Kee-wanis," meaning, "We trade." In 1920, the motto of Kiwanis became "We Build." It remained the motto until 2005, when members voted to change it to "Serving the children of the world."

In the early years, members focused on business networking but in 1919, the organization changed its focus to service – specifically service to children.
